## Long Distance Service

RingTel Communications offers several choices of long distance carriers. Customers are not required to use RT's long distance. If you would like to use a different carrier, please list your choice in the interlata and intralata areas below.

### RingTel Communications Long Distance

**Flat Rate Plan** - 13¢ per minute, no monthly fee, billed in 6-second blocks after 1-minute minimum

Volume discounts apply automatically when you reach the discount tiers. As you make more long distance calls, you pay less per minute. In addition, all of your long distance charges apply to the discount including personal 800 number and calling card calls.

### Anytime Anyplace

The Anytime Anyplace program allows you to purchase a block of minutes at a reduced rate. Choose the program that best fits your calling habits.

60 Anytime Anyplace Minutes - \$5.00

120 Anytime Anyplace Minutes - \$9.50

240 Anytime Anyplace Minutes - \$18.00

360 Anytime Anyplace Minutes - \$26.00

500 Anytime Anyplace Minutes - \$35.00

1000 Anytime Anyplace Minutes - \$68.00

Customer will be charged flat rate regardless of actual minutes used. Any time over package will be charged at 12¢ per minute. Personal 800 minutes are included in Anytime Anyplace packages. Calling Card minutes are not included in package. Rates apply to Continental USA only.

**800/888/877/866 Toll Free Service** - 15¢ per minute, first 20 minutes are FREE, billed in 6-second blocks after 12-second minimum

I have chosen not to use RingTel Communications as my long distance carrier. Please use the following long distance carrier(s) for my intralata (in area) and interlata (out of area) toll service. This appointment shall remain in effect unless modified.

## PIC Freeze

PIC Freeze freezes your long distance carrier choice and prevents unwanted changes to your carrier or 'slamming'. There is **no cost** for this service.

Do you wish to turn on PIC Freeze on all telephone lines?  Yes  No

## Link-Up & Lifeline

I qualify for 'Low Income Telephone Assistance Program'. Please provide me with the 'Link-Up or Lifeline Rate Assistance' Application. Verification required.

## Electronic Banking (ACH)

With our **Direct Payment Program** program, you will not have to write another check to pay for your monthly communications bill. When you enroll, we will automatically deduct the 'TOTAL AMOUNT DUE' (found on your bill) from your checking account on the 20th of each month. You will continue to receive your monthly bill for review, but it will reflect 'Direct Payment Program' authorization.

I wish to use Electronic Banking

I (we) hereby authorize RingTel Communications, hereinafter called COMPANY, to initiate debit entries to my (our) checking account indicated below, at the depository name below, hereinafter called DEPOSITORY, to debit same to such account on the tenth (10th of the month).

This authority is to remain in full force and effect until COMPANY and DEPOSITORY have received written notification from me (or either of us) of its termination and/or bank account is discontinued, in such time and in such manner as to afford COMPANY and DEPOSITORY a reasonable opportunity to act on it. The notification to the COMPANY should reach them prior to the 30th of the month with termination to affect the next month's billing. I understand that adequate account balances must be maintained by me for the ACH debit on the 20th. If not, a fee will be charged to my telephone account and the resulting non-payment could lead to disconnection of service.

**For verification purposes, a voided check must accompany this agreement.**
