

# i wireless

RingTel Communications is an authorized agent for i wireless. i wireless is a T-Mobile affiliate, which means you get complete nationwide wireless coverage through a digital GSM network.

i wireless offers plans and features you can't get with other wireless providers. Depending on your calling patterns, i wireless service can potentially save you hundreds of dollars a year over plans from other wireless companies. You can choose from MEGAtalk® plans that give you unlimited 24/7 local calling nationwide plans and nights always start at 5:00 so you can get more calling for your money.

i wireless offers the newest phones and the latest technology. And now you can even switch to i wireless and keep your current cell phone number!

When you're ready for great wireless service, give us a call, or just stop by our office for more information about i wireless!
